

## HT™ Series Suspension for Trailers

With hundreds of thousands of HT Series suspensions on trailers running on-road and off-road the world, these models have been the suspensions of choice for virtually every trailer application for nearly a decade. The HT

Series delivers rugged dependability and outstanding ride quality and control for vans, platforms, dumps, tankers, dollies and lowboys. Hendrickson's patented TRI-FUNCTIONAL bushing in unison with a rigid beam and solid axle connection provides the ideal combination of ride softness and roll stability.

### ■ Features & Benefits:

- ★ Proven Technology provides mile after mile of worry-free service
- ★ Simplicity of design reduces the number of moving parts for minimal maintenance
- ★ Low spring rate for exceptional ride quality
- ★ Large bore shocks for longer life
- ★ 5-Year/500,000 mile structural warranty

### ■ Related Parts:

- Brake Shoes
- Brake Chambers
- Slack Adjusters
- Wheel Seals & Bearings
