

RED 'N' TACKY AND X-TRA HD GREASE

Part Number:
10005LUC

Part Number:
10301LUC

RED "N" TACKY #2

Lucas Oil's grease is smooth and virtually wash-out proof, standing up to high temperatures and providing excellent protection in the most adverse operating conditions. These products last four times as long as regular grease. Additionally, the Red 'N' Tacky grease is fortified with rust and oxidation inhibitors while the X-tra Heavy Duty grease is EP fortified and exceeds OEM specifications. Try these out today!

Features & Benefits

- Thermal stable
- Great marine grease
- **Waterproof, even in salt water**
