

SPRING LOADED & BAR BRACKET MUD FLAP HANGERS

Part Number: NF30SS

Part Number: NF37C

Nu-Line mud flap hangers are designed to help protect your truck and trailing vehicles from damage caused by rocks, snow, ice and mud. These hangers will stand-up in rain or shine and will help you keep out of trouble with the DOT. Choose anywhere from an economical bar bracket to a top-of-the-line, stainless steel spring loaded hanger. Of note, conspicuity mud flap reflector strips are also available to compliment these hangers.

Features & Benefits

- Available in mirror finish stainless steel, bright chrome finish, or black powder coat paint
- 2.5" and 1.125" frame mount spacing
- Bar bracket options available
- Lengths of 30", 31", 33"
- Straight or angled
