

Parts for Trucks, Trailers & Buses

DRIVESHAFT COMPONENTS

TRP U-JOINT KITS, BEARING STRAP KITS AND CENTER BEARING ASSEMBLIES

The TRP driveshaft products are high quality, cost effective products providing exceptional value without the higher costs of the familiar name brands. These products deliver longevity, durability, and performance you can rely on. With a variety of sizes & applications, the TRP driveshaft program will have a u-joint or center bearing to meet the requirements and expectations of your customers.

FEATURES & BENEFITS

- » Products have been designed and tested to deliver reliable performance
- » All products manufactured and tested to OEM specifications for quality control
- » Nationwide 12 month warranty
- » U-Joints are case hard-ended for long life and durability
- » Center bearings contain heavy duty roller bearing for longer life.
