FAN CLUTCH REPAIR KITS

TRP REPAIR KIT FOR FAN CLUTCHES

TRP Fan Clutch Repair Kits are designed to repair a wide range of Horton on-off and two-speed fan clutches. The latest additions to TRP kits include the KYSOR style K32 Dual Pilot fan clutch and Rapid Repair kits. All TRP fan clutch repair products are field tested with proven performance, and are the quality parts you need at an affordable price. These products are backed by PACCAR Part's standard 1-year warranty.

FEATURES & BENEFITS

- » On-off and two-speed Rapid Repair kits feature pre-assembled components and dual pilots for faster and easier installation and reduced SKU count.
- Fan clutch repair kits contain everything needed to repair fan clutches for smooth fan engagement and long drive belt life.
- Two-single row bearings with high temp grease, and best-in-class seals for reliable performance.
- » Wide range of all makes coverage for both legacy and current Horton fan clutches.
- » FC8504 fits KYSOR K22, K26, K30 and K32 and features a dual pilot to reduce SKU count.
