

HOOD CABLES

TRP HOOD CABLES

TRP Hood Cables reduce the range of motion of the hood when open, which prevents the hood from opening into other parts of the body and damaging the hinges. The TRP Hood Cables come in a variety of lengths and have various applications to cover multiple truck models.

FEATURES & BENEFITS

- » All-Makes Applications - Including Kenworth, Peterbilt, Volvo, International, Freightliner, and GM
- » All-steel core cable with high strength and wear resistance
- » Fastening is firm and will not fall off easily

APPLICATIONS

- » Kenworth, Peterbilt, Volvo, International, Freightliner, and GM
