

OIL COALESCING CARTRIDGES

Part Number:
AC2001C
Cartridge-Oil
Coalescing

Part Number:
AC3001C
Cartridge-Oil
Coalescing

FEATURES & BENEFITS

- » All-makes air dryers for current and future popular vehicle applications
- » Coalescing (to remove moisture and oil aerosol contaminants)
- » High-value aftermarket offering

OIL COALESCING CARTRIDGES

Air dryers from a proven partner for popular vehicle applications. Designed to deliver high quality performance as an aftermarket alternative for vehicles progressing in ownership and age. Essential to vehicle performance, coalescing cartridges protect key components (including brake valves, emission controls and automated manual transmissions) by removing moisture and oil aerosol contaminants.
