

Parts for Trucks, Trailers & Buses

FENDERS

Full Brace

Half Brace

Braceless

Poly Braceless

FEATURES & BENEFITS

TRP METAL FENDERS

- » 18-gauge formed metal provides greater strength
- » 25" fender shield width enhances spray suppression and redirection

TRP POLY FENDERS

- » Contemporary braceless design
- » High-density polyethylene construction

QUARTER FENDERS

TRP Quarter Fenders have a proven reputation for a long-lasting bright appearance and exceptional durability.

TRP Metal Quarter Fenders are available in aluminum and stainless and painted steel and feature braceless, half-brace, and full-brace post mounting options.

TRP Extreme Weather Poly Quarter fenders are designed for severe weather and service conditions. Their poly construction makes them resilient against rock impacts, shock, and vibration. They maintain their flexibility and durability even when the temperature drops below freezing.
