

WASHER BOTTLES

TRP WASHER BOTTLES

Heat and vibrations associated with heavy duty diesel engines can wear plastic over time causing leaks and cracks. TRP Washer Bottles are manufactured with quality materials to endure stresses from the engine and cooling system.

FEATURES & BENEFITS

- » Direct replacement ensures true fit every time
- » Cap and pump included
- » Serviceable pump components available

RELATED PARTS

- » WB603-5402PUMP - Pump, Washer Bottle
