

SUPER HEAVY DUTY A/C COMPRESSORS

FEATURES & BENEFITS FOR SUPER DUTY VS. HEAVY DUTY

- » More than twice the clutch life (rated at 2,000,000 cycles)
- » Advanced oil circulation for shaft bearing and shaft seal
- » Stainless Steel reed valves to prevent corrosion
- » Stronger forged planet plate - stronger ball socket connections

RELATED PARTS

- » Clutch
- » Expansion Valve
- » Receiver Drier

CROSS REFERENCE

TRP	Description	OEM Compressor
LF4383	Super Heavy Duty A/C Compressor - A2 Belt Horizontal Mount	F69-6003-231
LF4376	Super Heavy Duty A/C Compressor - PV6 Belt Vertical Mount	F69-6003-122
LF4377	Super Heavy Duty A/C Compressor - PV6 Belt Horizontal Mount	F69-6003-121
LF4408	Super Heavy Duty A/C Compressor - PV6 Belt Vertical Mount	F69-6003-222
LF4368	Super Heavy Duty A/C Compressor - PV8 Belt Horizontal Mount	F69-6003-111
LF4391	Super Heavy Duty A/C Compressor - PV8 Belt Swivel/Vertical Mount	F69-6003-114
LF4398	Super Heavy Duty A/C Compressor - PV8 Belt Vertical Mount	F69-6003-112
LF4384	Super Heavy Duty A/C Compressor - PV10 Belt Horizontal Mount	F69-6003-141
LF4370	Super Heavy Duty A/C Compressor - PV12 Belt Vertical Mount	F69-6003-151
LF4577	Super Heavy Duty A/C Compressor - PV7 Direct Short Mount, Slimline	F69-1013
LF4313	Super Heavy Duty A/C Compressor - PV8 Direct Short Mount, Slimline	F69-1018
LF4106	Super Heavy Duty A/C Compressor - PV6 Direct Long Mount, Slimline	F69-1015-111
LE4326	Super Heavy Duty A/C Compressor - Volvo/Mack PV8 Direct Short Mount	20721587 / 206RD52M / 206RD53M
